

FREE Cybersecurity Training for Transitioning Service Members and Military Spouses

About the class

This training opportunity is for transitioning service members (6-12 months from separating/retiring), active Guard/Reserve members, and active-duty military spouses.

No related experience needed

CyberUp's LevelUp Training is a free, 5-month course that prepares you to earn your CompTIA Security+ certification. Virtual, instructor-led classes are on Tuesdays from 6:00 p.m. – 9:00 p.m. CT.

Begin a career in cybersecurity

After completing the course and earning your Security+ certification, you are eligible to begin CyberUp's LevelUp Apprenticeship Program.

CyberUp is a national nonprofit committed to cultivating the cybersecurity talent pipeline.
